Nightingale Infant and Nursery School
Weekly Newsletter

Nightingale Families,

It was a wonderful first week back and we loved hearing the children talk so excitedly about their school holidays. The children settled back into routines well and today in assembly we talked about all our FLOCK values and the new look of the FLOCK tokens the children receive.

We are also delighted to share news of the recent Ofsted inspection at our Partnership School, Drayton Community Infant School. The report will soon be able to view on the Ofsted website but in the meantime, we wanted to let you know that for each area within the Ofsted framework, Drayton has been graded GOOD and OUTSTANDING. I know you will all join me in congratulating the team at Drayton.
Have a great week everyone,

Mrs Kingsley, Mrs Hutt and the Nightingale Team

Useful maths app:

Regular practise, even short bursts, of maths skills such as counting, subitising, times tables, number bonds, doubling and halving is very beneficial in helping children to build fluency in maths.

The One Minute Maths app is a useful tool for practising fluency for children in all year groups. It is available to download for free from google play and will support your child's maths learning in school.

Norfolk Model Calendar

This calendar applies to community schools, community special schools, VC schools and nursery schools and sets the days on which school transport will be provided. While most Foundation, VA, foundation special, free schools and academy trusts who are able to set their own dates, adopt the Norfolk Model, we advise you to check with your child's school before making holiday or other commitments.

Key : White dates - schools open to pupils Yellow dates - pupil holiday Red dates - bank holiday	Five staff training days will be selected from yellow dates, we suggest 2 & 3 September, 25 October, 6 January and 22 April. Some may choose to use twilight hours for staff training instead of some or all of these.
