Nightingale Families,

This week our FLOCK Value is Keep Trying and we talked about how sometimes, this can be hard because we may not get it right first time when we are learning or trying something new. We might make mistakes and we talked about how this is often an important part of how we learn. We then giggled over some silly mistakes from a poetry book called 'A Great Big Cuddle' and I read the following poem by James Carter ...

This Is Where ...

... this is where I learnt to be.
And this is where I learnt to read,
and write and count and act in plays,
and blossom in so many ways.

This is where I learnt to sing,
express myself, and really think.
And this is where I learnt to dream,
to wonder why and what things mean.

This is where I learnt to care,
to make good friends, to give, to share,
to kick, to catch, to race, to run.
This is where I had such fun.

This is where I grew and grew.
This is where? My primary school!

Have a great week everyone,

Mrs Kingsley, Mrs Hutt and the Nightingale Team

Message from the Friends

Join us!

Unfortunately our treasurer has had to stand down and some of the other members of our team will be leaving at the end of the school year as their children will move up to junior school. We desperately need some more parent volunteers to join us.

Being part of the friends is a great opportunity to help fundraise for the school and enhance your child's education and time at the school.

If you are interested or would like more information then please contact us on our social media channels, email us on friendsofnightingale@outlook.com or speak to the school office who will put you in contact with one of the friends.

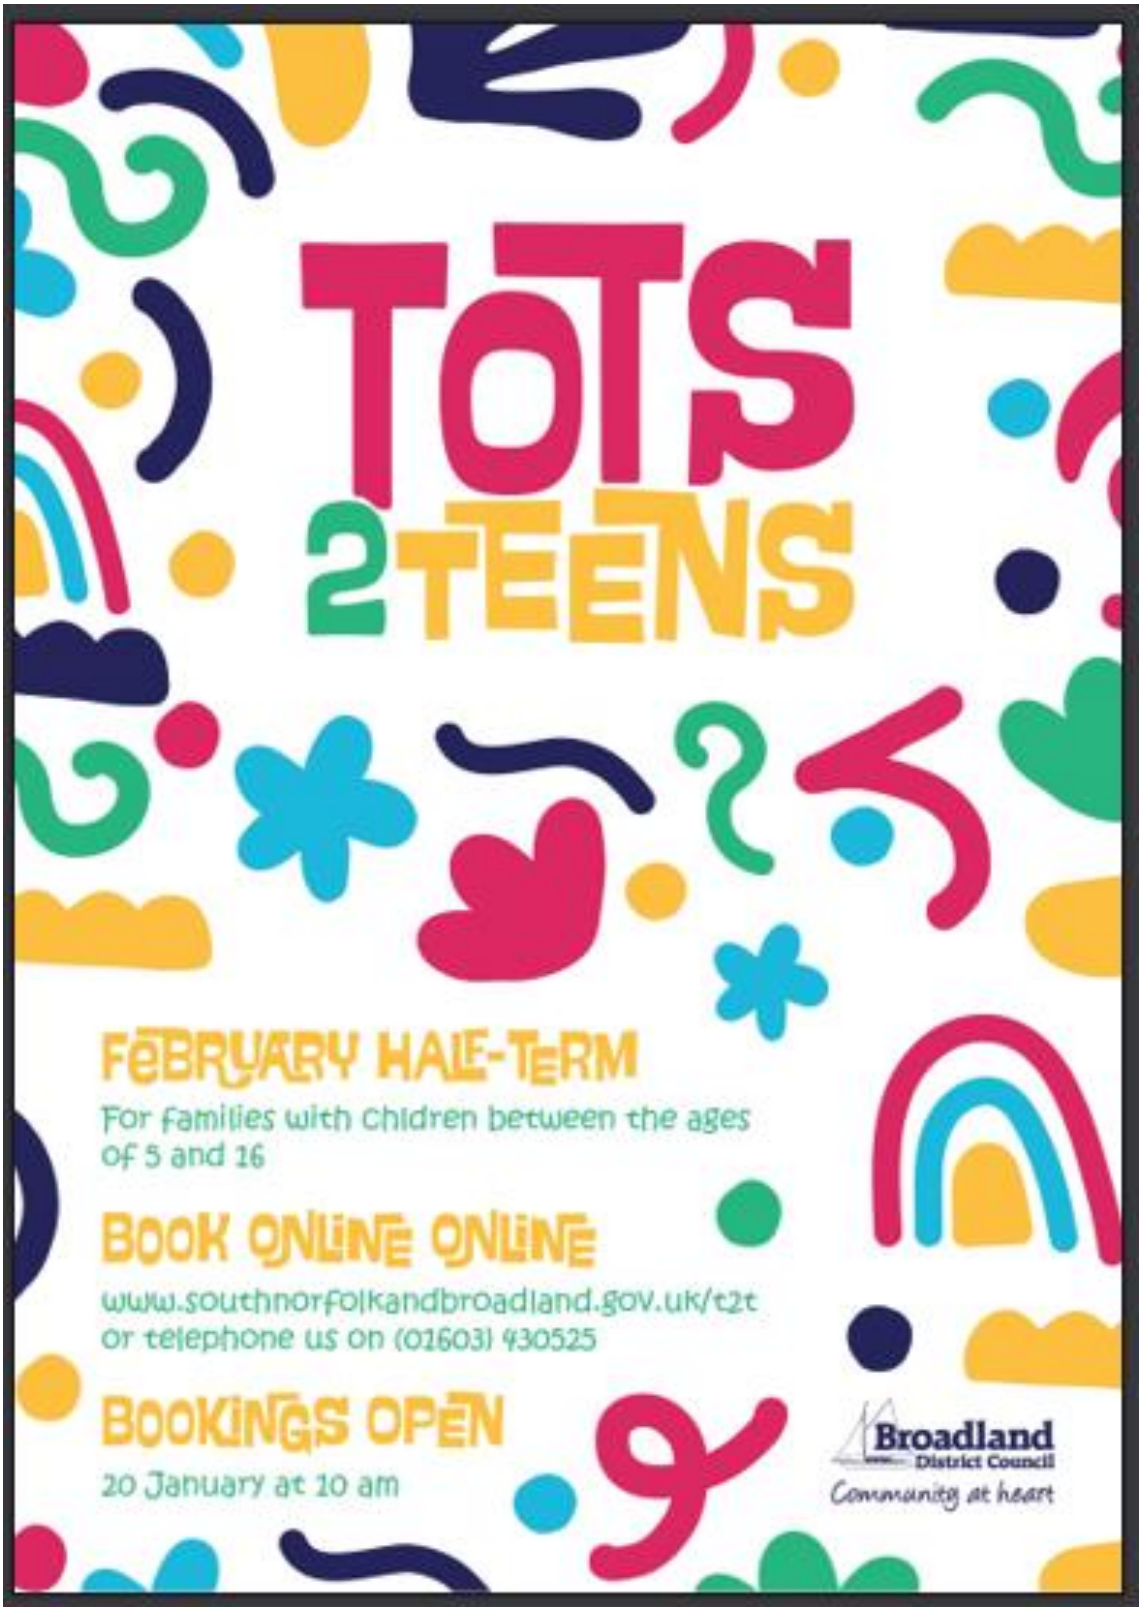

Valentines Disco

The Valentine's disco will be on Wednesday 12th February after school. More details and letters will follow soon so please save the date!
