Nightingale Families,

Last week in assembly, KS1 children talked about sun-safety. They had so many brilliant ideas to keep themselves safe and comfortable in the warmer weather:

As we know, the weather is not always reliable or consistent! Please can we remind all parents to ensure their children bring in a suitable coat to school every day, particularly those in reception who spend a considerable amount of time outside.

Mobile phones are not permitted in school and parents and carers should not be using these on the school premises at any point of the school day. It has been noticed that some parents have been using their phones at the end of the school day when collecting the children – please keep your phone out of sight until you have left the school premises completely.

Have a great week!

Best wishes,
Mrs Kingsley, Mrs Hutt and the Nightingale Team
