Nightingale Infant and Nursery School Weekly Newsletter 23.03.2026

Be **F**air
Listen and Learn
Open and Honest
Care for yourself, each other and the world
Keep Trying

Our **FLOCK** Value this week is:

Listen and Learn

Nightingale Families,

It has been a bright and sunny start to the week, but the rain is due to return towards the end of the week so please still make sure your children are coming in with a suitable coat for the changing weather.

Today's assembly focused on the 'Rights and Responsibilities' UNICEF document and Mrs Hutt read the children the book 'For Every Child.' The children as always had some great ideas to share about their rights as children and citizens and their responsibilities and how they can help to make the world a kinder and fairer place.

We break up for Easter this Friday at 3pm and return to school on Tuesday 14th April 2026

Have a lovely Easter Break everyone.

Have a great week.

Sarah Hutt, Hannah McConnell and the NIANS Team

Safeguarding

If you believe a child is at immediate risk of harm, please call **999**.

If you have a concern about the safety or wellbeing of a child, you can contact **Norfolk Children's Advice and Duty Service (CADS)** on **0344 800 8020**. A member of the team will listen to your concerns and advise on the next steps.

If the concern relates to a pupil at our school, you can also inform the school so that we can support where appropriate.

Thank you for helping us to keep children safe.

Attendance

Attendance – Reception/Year 1/Year 2

Attendance last week	Attendance this term
94.6 %	**94.4 %**

Our aim is to maintain the attendance above 96%. Thank you for your continued support.

The Graduated Approach to SEND

Do you know the extra support your child is having in class? At NIANS there is a very rich diet of support for children who need more than Universal Provision. In fact, most children need some extra support in some capacity during the 3 years they are here.

We follow the graduated provision approach. This starts with high quality adapted teaching in class, with teachers adapting the lessons to meet the needs of all the pupils in class.

Just One Norfolk explains the approach very well.

It can take time for teachers and support staff to identify your child's needs and understand what strategies and interventions work for them. This method of trying out and reviewing SEND support is called the 'graduated approach' and is a continuous support cycle until your child's needs are met.

If SEND support isn't helping your child make expected progress, the school can begin targeted support. This involves a bespoke, personalised approach to their curriculum and support from professionals outside of school.

Process for Further Support in School - this is the link to Just One Norfolk

Interventions are part of everyday life in school with children having extra phonics, maths, bucket time, ELSA, sensory breaks, extra reading, social skills – please ask at Parents Evening if your child is having an extra support.

Any children on our SEND register will have a Student Support Plan and this has very smart needs based targets that can be achieved with support. This is a working document that is updated at least once a term. If your child has a support plan you will have a copy and will have signed your agreement to it.
